At ACS our teachers believe a love for lifelong learning starts in kindergarten. As part of a child-centred philosophy, we promote creative thinking and inspire our children to achieve the very highest standards as they progress their educational journey with us. That is why so many ACS graduates go on to attend the finest universities around the world, and why more and more local and international parents entrust us to deliver on their most precious academic dreams.

ACS schools are non-sectarian and co-educational (day and boarding) for students from 2¹/₂ to 18 years of age.
